

Gate lock

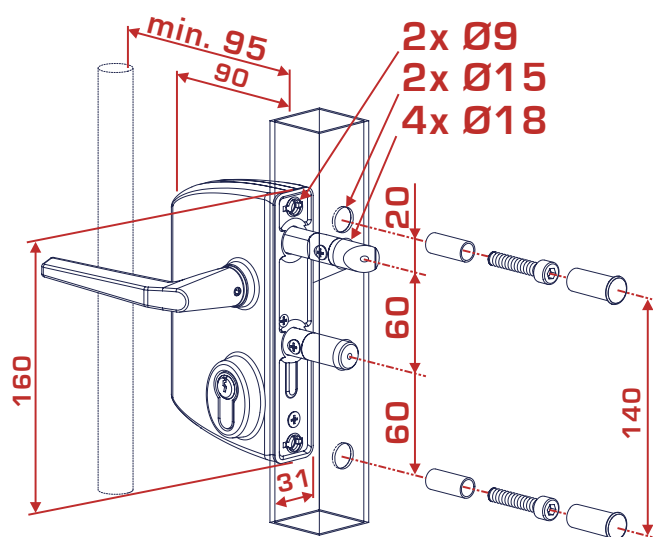

Surface-mounted gate lock

High quality gate lock from high quality with aluminum housing and stainless steel interior for surface mounting. This lock is recommended for all your industrial fencing. The 20 mm continuous adjustability of both pins allows you to fine tune each gate for optimal locking. A solid stainless steel depth spring of 23 mm ensures secure locking.

ISO 9227 KTL/E	
Stainless steel interior	
Mounting	Left or right
Adjustable pin length	Up to 20mm
